

# 3D MODELLING OF THE MOUNT ISA SOUTH PROJECT AREA

## MINEX CRC PROGRAM 2

### Data from Drilling

---

#### MASTERS BY RESEARCH PROJECT

The University of Western Australia

#### PRIMARY SUPERVISOR

Prof. Mark Jessell

e: mark.jessell@uwa.edu.au

#### CO-SUPERVISORS

Mark Lindsay (University of Western Australia) and  
Christian Seller (Anglo American)

#### PARTICIPATING ORGANISATIONS

---

#### RESEARCH PROJECT

A postgraduate student would be using the interpreted map of the basement developed by Professor Pete Betts at Monash University as the basis for building a suite of 3D geological models based on end-member scenarios.
